TRUSTED BY MAJOR COMPANIES WORLDWIDE

MISSION STATEMENT

To empower young football and basketball players worldwide by using AI and innovative technology to make talent discovery transparent, fair, and accessible.

ABOUT US

Experience the future of scouting with our secure, efficient, and user-friendly platform

ScoutNova SportsTech Ltd is headquartered in Abuja, Nigeria, pioneering digital sports scouting solutions for emerging talent markets in Africa, South America, and beyond.

Our platform combines AI, data analytics, and user-friendly interfaces to transform how players are discovered and developed.

Founded by a team of sports enthusiasts and tech innovators, ScoutNova is committed to democratizing access to professional opportunities for young athletes worldwide.

We believe in transparency, fairness, and the power of technology to bridge gaps in the sports industry. By leveraging AI-driven video analysis and real-time performance tracking, we provide scouts and agents with unparalleled insights into player potential.

Why Choose us

Experience the future of scouting with our secure, efficient, and user-friendly services. Our cutting-edge platform ensures you are safe, streamlined, and easy to manage, empowering you to take control of your scouting journey with confidence and convenience.

Real Stories of Success and Satisfaction from Our Diverse Community

TESTIMONIALS

" ScoutNova changed my life. I uploaded a few clips from my local matches, and within weeks, I got contacted by a scout from Europe. The AI report made my profile stand out instantly."

Emeka Johnson
Footballer, Lagos, Nigeria

" The performance breakdown helped me understand my strengths and weaknesses. I use my ScoutNova analytics every week to improve my training sessions."

Carlos Mendes
Basketball Player, São Paulo, Brazil

" it's the first platform that gave me visibility as a female athlete from Africa. The fairness and transparency of the system make me feel seen and valued."

Aisha Bello
Female Footballer, Accra, Ghana

Coach Raymond Lutaaya
Academy Director, Kampala, Uganda

" The Player Overtime Development (POD) tracker helps me monitor every player's growth across seasons. It's like having a full analytics team on my laptop."

Maria Alvarez
Sports Agent, Madrid, Spain

" ScoutNova saves me hours of screening. The AI-generated stats and scoring system make it easy to identify players who actually fit my team's needs."

David Okafor
Football Scout, London, UK
